You can relax at the swimming pool or visit a traditional Masai Village.

1600 hrs Depart for an evening game drive.

Masai Mara National Reserve is one of the most popular tourism destinations in Kenya- Africa. The reserve is located in the Great Rift Valley in primarily open grassland.

Wildlife tends to be most concentrated on the reserve's western escarpment.

The Masai Mara is regarded as the jewel of Kenya's wildlife viewing areas. The annual wildebeest's migration alone involves over 1.5 million animals arriving in July and departing in November.

There have been some 95 species of mammals, amphibians and reptiles and over 400 birds species recorded on the reserve.

Nowhere in Africa is wildlife more abundant, and it is for this reason a visitor hardly misses to see the big five (**buffalo, elephant, leopard, lion, and rhino**).

1830 hrs Return to the camp/lodge for dinner and then overnight.

Meal plan: Full board basis

31 DEC MASAI MARA – LAKE NAIVASHA

0630 hrs Buffet breakfast at the camp/lodge.

0730 hrs Depart after breakfast for Lake Naivasha.

1300 hrs Arrival at Lake Naivasha Sopa Lodge or similar in time for lunch.

Afternoon spent at leisure.

Lake Naivasha is a freshwater lake in the Kenya section of Africa's Great Rift Valley, and is located north west of Nairobi with the town of Naivasha on its north eastern shore. At 1,890 meters (6,200 ft) above sea level, the lake is at the highest point in the Kenyan rift, and is set in a complex geological combination of volcanic rocks and sedimentary deposits from a much larger Pleistocene era lake.

Because the outlet for this ancient lake, now called Njorwa Gorge, is today much higher than the lake, the original Lake Naivasha must have indeed been a truly vast expanse of water. The gorge now forms the entrance to the Hell's

Gate National Park which, for obvious reasons, today contains some spectacular examples of water and weather-worn rock formations as well as an abundance of flora and fauna to include some extremely rare, resident breeding pairs of Lammergeyers, otherwise known as Bearded vultures.

This time can be used doing a boat ride or a visit to Crescent Island – see rates below.

Dinner and then overnight at the lodge.
